

# Privacy Policy

Effective Date: May 1, 2026

## 1. Introduction

Lambent Data™, doing business as VAIntage™ and VAIntage Pathways™ ("Company," "we," or "us"), is committed to protecting the privacy and security of your data. This Privacy Policy outlines how we collect, use, and safeguard information when you visit our website (vaintagepathways.com) and interact with our digital marketing materials.

## 2. The VAIntage "Privacy By Design" Guarantee (Platform Data)

While this policy governs our public website, we want to be absolutely clear about our enterprise software platform. VAIntage Pathways operates on a strict, localized edge-computing framework.

**Zero PHI Harvesting:** We do not use Protected Health Information (PHI) to train external, public, or third-party Artificial Intelligence or Large Language Models.

**Edge Processing:** Clinical telemetry and revenue defense analyses are executed securely within the client's existing IT infrastructure.

Actual deployment of our software is governed by strict, mutual Business Associate Agreements (BAAs) and enterprise service contracts that supersede this public website policy.

### 3. Information We Collect on This Website

When you visit our website to request an executive briefing, download a whitepaper, or contact us, we may collect:

**Personal Information:** Name, email address, phone number, job title, and organization name.

**Usage Data:** Standard analytics data, such as IP addresses, browser types, and interaction metrics to help us improve our web experience.

### 4. How We Use Your Information

We use the information collected via our website solely for B2B communication and operational purposes, including:

- \* Responding to your inquiries and scheduling executive briefings.
- \* Sending technical updates, enterprise healthcare insights, or marketing communications (which you may opt out of at any time).
- \* Improving the functionality and security of our website.

### 5. Sharing Your Information

We do not sell, rent, or trade your personal information to third parties. We may share website data with trusted service providers (e.g., secure hosting providers or CRM platforms) who assist us in operating our business, under strict confidentiality agreements.

## 6. Contact Us
